Achievements

- “Prima” has been receiving consistently **Top Exporter Awards** by PLEXCONCIL, India (since 1996-97 to 2014-15)
- “Prima” had got the contract for Swachh Bharat Abhiyan from the G.H.M.C. of Hyderabad and have successfully executed the same.
- “Prima” has been recognized as **One Star Export House from Government of India.**
- Prima Plastics Ltd has earned Second Best Productivity Performance Award in the category of Medium Scale Industries by **Fact MKK Nayar Memorial Productivity Award 2014-2015.**

Indian Business

In India, “Prima” is catering mostly to West and South Indian markets. “Prima” is known in the market for its innovation mix like wooden colour, marble colour which they have pioneered.

“Prima” is a debt free Company and its financials are rated by CRISIL as **BBB/Positive.**

Looking to improved performance in FY 2015-2016, the company is shifting focus towards premium range of products and will launch new products shortly.

Prima and other Plastic manufacturer had advantage of lower input cost in FY 2015-16 due to lower crude oil prices.

Future Plans (India) - Capex

New plant in Andhra Pradesh is to be commissioned in October, 2016. This plant will cater to the Eastern and Southern Regions of India.

International Business

Company has plants in **Cameroon, Africa** (50% JV with a local Indian Partner). The JV manufactures injection moulding and extrusions and primarily caters to the local market.

Future Plans (International) - Capex

The African operation is adding capacity by approx. 50% in both the segment in this year. The same will be funded by their internal accruals

Prima Plastics Limited is adding a plant in Central America (Guatemala). The Company expect this project to be commissioned in November 2016. This Company is setting up this project in a Joint Venture format having 90% share of Prima and a local partner will have 10% share.
